
COMPLETION OF 4th (and final) MODULE!

This marks the end of the video lecture portion of your On-Camera Certificate Course. Now is the time to use all of your notes from Sessions 1-12 to prepare for your Final Comprehensive Exam. You'll find your final exam by clicking the Blue TAKE TEST button under this lesson's main menu.

You must complete and pass the Session 12 Quiz before proceeding with Lesson 16.

As a reminder, this would be the time to schedule your final **(optional)** PRIVATE COACHING SESSION. (This is only if you wish to receive extra coaching before Lesson 16's FINAL PERFORMANCE EVALUATION).

**You have already completed the three one-on-one private skype coaching sessions that come with this course. If you wish to receive any additional (optional) coaching sessions before your final performance evaluation, the private session will incur a cost.*

The next Lesson (Lesson 16) is your Final Performance Evaluation. Please prepare your monologue from Chapter 11's homework assignment. Be prepared to receive notes and adjustments from your coach. All information on how to set up your Final Performance Evaluation will be available after you pass the Final Comprehensive Exam.
